Varmaste TACK till er alla för år 2018!

Pastor Carin Hemmati

Tack för den du är i församlingsgemenskapen, tack för det du gör och ger!

Tack till alla som har haft särskilda uppdrag under året, tex olika ledar- och ansvarsuppgifter,

förtroendevalda och trogna matvolontärer.

Equmeniakyrkan Hallunda har under år 2018 fått vara en varm, välkomnande och generös gemenskap som haft nåden att fått ha Jesus Kristus i centrum. Vi har fått gå med Gud, tillsammans, genom olika utmaningar och tagit emot många välsignelser, bla har vi haft möjligheten att dela ut mat och annat som vi först fått ta emot.

Församlingen är i ständig rörelse, förändring och utveckling, en kyrka full av liv, med ett stort kontaktnät.

Nu ser vi med tillförsikt fram emot det nya året, 2019. Vi får lägga allt i Guds händer och be om ledning, beskydd, inspiration, kraft och mod.

Önskar er alla en fridfull jul och ett välsignat gott nytt år!

Varmaste hälsningar,

pastor Carin

O COME LET US ADORE HIM!-A CHRISTMAS GREETING FROM MY DESK

For every well meaning Christian, the Advent season is the season when the adoration and worship of Christ our savior is at its highest point. Through each day up until the Christmas day, the world comes to a near standstill. With spoken and unspoken languages there is a general acknowledgement that someone special was born into the world to meet the human race where they are. The sweet melodies of Christmas carols, Christmas bells chiming through the air, not least, through the maze of human activity witnessed through unequalled travels and movements of people through every available means coupled with the greatest season of commercial activity as people frantically make purchases in readiness for exchange of gift all bear witness to the fact that a special season is unfolding.

As God's people who are privileged to be associated with this special child who have become the King of all kings, you and I have a huge responsibility. We must all step up our efforts to ensure that the message of Christ's birth is not drowned by the loud and alluring drums of profanity and fanfare. The unbelieving world is fast losing touch with that message. Christians are therefore called upon to speak up. Go, tell it on the mountains, over the hills and everywhere that Jesus Christ is born. One person at a time-and the reason for the season will be made known to all people everywhere.

THE YEAR 2018

The season of Christmas also immediately leads us to an important transition point in the life of each of us as well as in our church. The end of the year and the start of a new one both follow in quick succession. It is needful therefore to use this space to appreciate every member of Ekumeniakyrkan International Hallunda for such a wonderful ministry outing this year. I believe we all had a most wonderful time in the presence of God and very blessed through each and every meeting opportunity that we had.

Pastor Sam Nweze

Special mention must be mentioned however, of the exciting 10th anniversary celebrations that ran through two consecutive weeks ending early in October. What an eventful moment in our church! I thank each and every participant who contributed ideas and resources to make it what it was. My appreciation goes particularly to the few people who worked assiduously to ensure that the event was successful. God bless you real good! Also to every member of the Advisory Committee, as well as all the ministry groups I say a big God bless you! The Scripture tells us in Daniel 11:32b, "The people that do know their God shall be strong, and do exploits". From this Scripture springs up our theme for the coming year, 2019. It will be a year of "GREAT EXPLOITS." I urge you all therefore, to begin to get excited because a great year is ahead of us.

I conclude with an important program information. Effective January 2019, our "Miracle Tuesday" will move to mid week fellowship under the title "MIDWEEK COVENANT ENCOUNTER. With this change, our first midweek fellowship will take place on Wednesday January 2, 2019. Be sure to adjust your schedules accordingly to enable you embrace these covenant meetings. Lastly, mark your calendar for our New Year retreat on January 13.

My family and I wish you all a very happy Christmas and a joyous and prosperous New year!

Christmas 2018

Praise the Lord that we are closing again this year 2018 with the celebrations of Christmas. Celebrations starts as we entre into the month of December. This is a special December because we have 5 Mondays, 5 Saturdays and 5 Sundays.

You may have gone through a difficulties and challenges. Many times, you feel yourself a failed person. An unsuccessful person. Or any other bad association which make you feel pity.

But on this special occasion I have good news for you. I want you to stop and read it carefully. You entitled yourself all weak things because you are focusing yourself only.

I urge you to use the ability to focus. But this time focus for one year, only Jesus. Try to do something for Him, say something for Him, go somewhere for Him, ask and tell for Him. Your focus must be Jesus instead of your own personality.

You will change for ever. Because when you focus on Jesus, Jesus will focus on you. He will restore everything in your life. I know something great is going to be happen in the year 2019 for you. You will not be the same person again. Your life will be filled with testimonies.

*I wish the year 2019 serve you with focusing Jesus.
Merry Christmas and A Happy new year.*

Merry Christmas and a Happy New year

On behalf of the Board and my own behalf I wish all our Pastors and members of our unique Parish a very Merry Christmas and a Happy New Year.

As we await the birth of our savior Jesus Christ let the spirit of love fill our hearts not only for those close to us, but those far away. Let us think about the unfortunate people around the world especially children who are displaced by

war or natural disasters and as such have nowhere to sleep let alone someone to wish them a merry Christmas.

Let us not only focus on our expectations and wishes from God for the coming year but rather as followers of Christ the love we can give to each other and the world at large. Let us not be inward looking but extend and share to make life just a bit worth living for the sake Christ our savior for those around us and the community we live in.

Let us make the year 2019 as the year of love and unity in our dear parish. Let us display tolerance and practice love with respect for both “big and small” for the kingdom of God is all love and nothing else.

The season is also about giving, so let us remember what Jesus told us in Matthew 6:3-4 (NKJV) “but when you do a charitable deed, do not let your left hand know what your right hand is doing, that your charitable deed may be in secret; and your Father who sees in secret will himself reward you openly”.

Finally, wherever Christmas may find you this year, in loneliness or in companionship, you can enjoy the season with Christ.

God richly bless us all.
